TEAM HEALTHCARE HOLDINGS **Strategic Investment in** **MMA Recruitment (United Kingdom)**

March 18, 2009 – Team Healthcare Holdings (“Team”) is pleased to announce that it has concluded the acquisition of a 50% shareholding and strategic alliance with More Medical Associates (“MMA Recruitment or “MMA”) in the United Kingdom.

RATIONALE FOR THE TRANSACTION

The excellent intellectual capital, platform and business model of MMA Recruitment, together with the entrepreneurial flair of the Founder and Managing Director, represents a critical component to Team’s global infrastructure in both the sourcing and supply of world class healthcare professionals to healthcare service companies.

Since MMA’s formation some 10 years ago, the Company has established a solid market position in healthcare recruitment solutions including, but not limited to, its innovative way of sourcing and supplying healthcare professionals more cost effectively for clients using e-recruitment tools and techniques.

Together with MMA, Team is able to leverage its presence in the UK into the markets that it serves and expand the network of international placement opportunities for healthcare professionals and partners alike. In addition, the London presence is expected to provide critical infrastructural and logistical value and opportunities to healthcare candidates and clients in, *inter alia*, Europe, Canada, the Middle East and South Africa not to mention providing Team nurses with additional choices in terms of international placement.

WAY FORWARD

The organizations intend to work together both in expanding the offering in the United Kingdom as well as within the Team Group to share resources, expertise and networks.

To this end Team continues to pursue focused strategic investments / alliances both in the USA and in selected geographies with the objective of expanding its footprint as a **leading global healthcare resource partner**.
